FOR IMMEDIATE RELEASE

UCLA Centennial-Themed Merchandise Still Available through Bruin Custom Print

Westwood, Calif. – Dec. 06, 2019 – 2019 may be coming to an end, but the UCLA Centennial celebration is still going strong. And with the holidays just around the corner, now is the perfect time to create custom Centennial-themed merchandise for your department's needs.

Bruin Custom Print is your one-stop-shop to design and produce an array of products, and its in-house design team will work with your department to create the best items to achieve the highest impact. Some items that Bruin Custom Print has designed and produced include collector lapel pins, crystal commemorative items, event-specific tote bags, lanyards, and water bottles.

In addition to small items, Bruin Custom Print also specializes in customizing apparel. Like the popular Centennial tie-dye t-shirts, the store also can print or embroider many styles of clothing and brands, such as sports caps, t-shirts and sweatshirts, graduation sashes and much more.

To find Bruin Custom Print, visit the store in Ackerman Union on the A-level, across from Taco Bell and Bruin Buzz coffee shop.
